VANCOUVER (November 30, 2004) – W3 International Media was today awarded the Gold Consumers' Choice Award™ as 2004 winner among providers of Internet Solutions Services in Vancouver, British Columbia.

The Consumers' Choice Award is presented annually by the Consumers' Choice Institute (Canada), based on research conducted by Synovate/Market Facts of Canada, which interviewed the general public and managers of small- and medium-size business in the greater Vancouver area.

"This recognition means a lot to everyone in our team at W3 because our focus is exemplary customer service" said Myfanwy Wong, General Manager of W3 Media. "We build our business based on deep and long-term relationships with clients and commitment to the community, so recognition from our customers and the broader community is particularly meaningful."

"Among such established & honored business men and women here, I'm so humbled and happy to receive this award tonight as a young entrepreneur on behalf of all the great people at W3 Media" beamed Ms. Wong. "To the W3 Media team, you did an Excellent job! You really are the best of the best; always striving to assist the client in all ways possible"

"And thank you to the consumers! We deeply appreciate the confidence of our customers and their belief that working with our company helps grow their business successfully."

The Consumers' Choice Awards were presented tonight at a gala and ceremony at the Westin Bay Shore Hotel & Resort. The Consumers' Choice Awards Vancouver gala is scheduled for television broadcast in early 2005.

**About W3 International Media:** W3 Media ([www.w3media.com](http://www.w3media.com)) is one of Canada's most established Internet service companies, providing a comprehensive range of products and solutions for businesses and organizations everywhere that the Internet reaches.
